 Country: [Spain](#)

The winners of the first "My School and Sustainable Energy" European Video Competition, which falls under the activities of the Yourvid Save Energy (YSE) project, were recently announced.

The [Yourvid Save Energy project](#) is all about finding innovative teaching and learning methods on the topic of "saving energy and raising understanding of the need for sustainable energy in schools and society" through a new didactical approach based on Web 2.0 (social networks).

Take a look to the winners at: <http://www.yesenergy.eu/>
